

Confidentiality / Security / Ownership Attestation Statement. I will protect the confidentiality of all Tests, specific Candidate performance, and all other related data and procedures. PASS, the test delivery system belongs to Castle and is provided via the Internet for the use of the testing center for the NWRC examinations. I acknowledge and agree that Castle and/or NWRC hold all proprietary and ownership rights to the Tests, including, but not limited to, copyright, trade secret, and patent in PASS; all Test forms and individual Test questions; Item Banks; the Operations Manual; the Policy and Procedures Manuals; forms and materials; and any other software, manuals, documentation, disks, secure Test administration or operational procedures, or other materials that were developed at any time by Castle and/or the Testing Entity (collectively, the "Owned Technologies and Materials"), and that will be provided to the test center to perform its responsibilities as a NWRC testing site.

I agree that I will not reproduce, modify, distribute, disclose, or create derivative works based upon any of the Owned Technologies and Materials. I also agree that I will not reverse-engineer, decompile, disassemble, or in any way attempt to create source code from PASS or any other Owned Technologies and Materials. I further agree to keep confidential and avoid any unauthorized use or disclosure of the Owned Technologies and Materials.

I agree to ensure the confidentiality of all of the Tests' contents, and prevent any form of copying and any attempts to access Item Banks in any form, and to institute within thirty (30) days, any reasonable security procedures that Castle and/or NWRC may request from time to time.

I agree that I will not use Candidate names in any mailing or marketing related activities, or provide or sell such names to third parties for any other purpose, without NWRC's prior written approval.

I agree that I will monitor candidates at all times and never leave the Candidates unattended. I also agree that I will comply with all policies and procedures in Castle's Manuals and Training materials.
