Castle Donates to Oxfam America in Support of Haitian Earthquake Relief Efforts

Morrisville, N.C. – Jan. 22, 2010 – Castle Worldwide, Inc. announced today that it will make a \$2,500 donation to Oxfam America’s Haiti Earthquake Response Fund in support of relief and recovery efforts connected to the Jan. 12 earthquake in Haiti. The amount represents a \$50 donation for each Castle employee.

“This catastrophic disaster impacts all of us,” said Jeffrey T. LaRiche, Castle chairman of the board and chief executive officer. “The devastation is unprecedented, and the recovery effort will be measured in years not days. We wanted to step forward and offer our support on behalf of our employees.”
